

PREP 9

Due: 11/02/2016

Reading. (BB) Look over section 3.1 briefly and read section 2.3 (Permutations) of the textbook.

Exercises. Work out problems 2(a) and 2(b), and problems 22 and 23 on pg. 101–102. For problem 22, note that in general $(ab)^{-1} = b^{-1}a^{-1}$.
