Introductory paper evaluation: For each of the components below, you have received a 1 if your paper contains that item and a 0 if it does not. Additionally, each subsection has been given a grade from 1-10 which reflects my evaluation of that section in its entirety. Finally, the paper is evaluated in its entirety.

Abstract: 1 2 3 4 5 6 7 8 9 10
- one sentence per section
- single spaced
- not paginated
- follows cover page

Introduction: 1 2 3 4 5 6 7 8 9 10
- thesis statement
- research questions
- reader education
- importance of topic
- overview of paper
- sufficient overall development

Literature review: 1 2 3 4 5 6 7 8 9 10
- all 3 articles cited
- thematic organization
- sufficient overall development
- progress from rough draft

Research Questions and Hypotheses: 1 2 3 4 5 6 7 8 9 10
- introductory statement
- research question stated
- 3 hypotheses correctly stated
- all hypotheses with nulls
- all hyps. with lit based rationales
- concluding statement

Research Methods & Procedures:
- 1 2 3 4 5 6 7 8 9 10
- introductory statement
- description of research design
- text citation (HBBH)
- summary table of GSS sample
- description of procedures used in analysis
- level of detail sufficient for replication of research
- concluding statement

Results: 1 2 3 4 5 6 7 8 9 10
- introductory statement
- presentation of results for each hypothesis
- effective tabular presentation
- accurate data analysis
- accurate interpretation of data
- concluding statement

Discussion: 1 2 3 4 5 6 7 8 9 10
- introductory statement
- findings relative to prior research for each hypothesis
- theoretical explanations for each hypothesis
- sufficient overall development
- concluding statement

Conclusion: 1 2 3 4 5 6 7 8 9 10
- introductory statement
- reiteration of project
- strengths of project
- limitations of project
- suggestions for future research
- sufficient overall development
- Stylistic / technical points:

- 1 2 3 4 5 6 7 8 9 10
- Sentence structure/grammar
- Spelling
- Colloquialisms
- Voice/no I,we/you/our/us/etc
- Pagination
- APA citation style & ref page

Overall paper evaluation:
