What did you like about this course?

- The conversation throughout class time
 - Excellent teacher. Made learning Spanish enjoyable.
 - I like the atmosphere of this class. The professor made it more fun than just another spanish class.
 - I liked that the professor was very helpful and knew what he knew what he was talking about. I learned alot that I didn't know before and it helped me speak spanish better.
 - The way my instructor varied the way he taught us the material. We watched movies, clips, read articles, worked in groups, and wrote compositions.
 - I loved my professor he was very enthusiastic!
 - topics and course material
 - The professor was very helpful and did a good job of explaining the material.
-

What could be improved about this course?

- shorter days & longer time (hours)
 - Nothing.
 - Sometimes the professor would frustrate me during class. He made it sound as if I was stupid and did not know how to correct things when I didn't write the things he was correcting.
 - Nothing that I can think of.
 - -
 - i don't know
 - The professor sometimes seemed a little unorganized.
-

Would you recommend this course to others?

Yes (please explain why)

- Excellent teacher.
- I recommend this class because the professor is very enthusiastic and loves teaching. He is funny and approachable if you need help with anything.
- Advances your abilities in holding a conversation in Spanish.
- The course is fun and my professor was great!
- interesting and well taught
- The professor explained the concepts very well and was very concerned about the education of his students.

No (please explain why not)

- I have never been a fan of taking spanish. I don't think that learning a language takes place in a classroom. And I never do well in these classes.
