What did you like about this course?

- Culture
- I like all the information I think even it was too much information the professor manages it to fit everything really good in the semester.
- The instructor was nice, intelligent, understanding, and a fair grader. He wanted the students to do well in his class.
- I learned a lot of Spain's history and many interesting facts. I also learned about current issues in the country which will be useful if I ever travel there.
- everything
- I learned a lot
- fun
- It was really interesting to learn about the history of Spain. All I had ever really learned about the history of Spain was from the civil war to the present. It was really interesting to learn about Spain more in depth!
- class spoken in spanish. tests were not only grades given in class
- I loved the subject of the class which made it very enjoyable to take. Also, Professor De Patricio was great at explaining everything he taught.

What could be improved about this course?

- Nothing
- none
- Nothing.
- The final exam should not be cumulative. It is too much information, and by the time of the exam..we mix up a lot of the dates and info.
- nothing
- NA
- n/a
- It was very monotonous what we did in class. We would just go over the homework and then get into groups to discuss the reading for that class. It was fun for a few classes but we did it almost every class.
- no comment

Would you recommend this course to others?

Yes (please explain why)

- Fun and easy to learn
- You will learn a lot about past and current Spanish culture
- Good professor.
- It's very useful to every day life and you learn a lot
- best experience
- G. DP is awesome!
- It's great to learn about a different countries history and if you like history of course!
- It is a great class to practice Spanish and to learn a lot about the history of Spain. The professor makes the class fun and engaging.
- Its a lot of work, but the professor is very helpful and keeps class interesting by telling stories instead of just going through the textbook

No (please explain why not)

- history is boring and learning it in spanish isnt any better
