Objective: Creative, experienced digital media student seeking the opportunity to further advance my career through an internship in the field of Graphic Design and or animation. I am Able to learn and adapt on the job, as the situation requires.

Profile: I am Hard-working, dedicated, and always wanting to learn more about my craft; I am passionate about all aspects of digital media production and the many forms it takes. I can take on assignments solo or with a team as necessary, and I enjoy finding ways to make the personalities on a team find solutions and work well together.

Education:

Towson University
Digital Art and Design (Graphic Design) BFA with expected graduation of 8/2019.

Design Skills:

- Proficient in various 3D modeling software suits, such as Autodesk Maya and Unity Video Game Engine.
- Experienced in Adobe After Effects for digital motion graphics, visual effects, and compositing.
- Skilled in Adobe Creative Suite (Illustrator, Photoshop, In-design, Dreamweaver)
- Comfortable with both Mac and PC systems

Work Experience:

Best Buy Bel Air, MD (2015 – 2018 current)

Assisted numerous Towson student field projects
