10:00am-11:00 am Database
11:30am –12:30pm Software Engineering
1:00pm–2:00pm Human Computer Interaction
2:30pm – 3:30 pm Network Security

To register for the January 2018 qualifying exams, please send an email to the Program Director Dr. Chao Lu at clu@towson.edu by Dec. 12, 2017. In your email, please indicate:
(a) Sections that you plan to take.
(b) Current GPA in the doctoral program.
(c) Section(s) that you took in a previous qualifier exam (for each such section, indicate if you passed or failed the section, and the date of the exam).

The regulations regarding the qualifying exams:
 a) A student can take the qualifier exam at most two times.
b) To satisfy the qualifier requirement, a student needs to pass at least four sections (and according to a) this should be done in one or two attempts).
c) Only students with current GPA at least 3.5 can take the qualifier exam.
