11:30am – 12:30pm   **Software Engineering,**
1:00pm---2:00pm   **Human Computer Interaction**

To register for the January 2017 exam send an email to the Program Director Dr. Chao Lu at clu@towson.edu by Dec. 15, 2016. In the email indicate: (a) the sections that you want to take,

> **(b) current GPA in the doctoral program,**
> **(c) section(s) that you took in a previous qualifier exam (for each such section, indicate if you passed or failed the section, and the date of the exam).**

The regulations regarding the qualifying exams:

(a) **A student can take the qualifier exam at most two times.**
(b) **To satisfy the qualifier requirement, a student needs to pass at least four sections (and according to (a) this should be done combined in one or two attempts).**
(c) **Only students with current GPA at least 3.5 can take the qualifier exam.**
